### Ohio Child Welfare Training Room Rules/Guidelines-

INPERSON Training- Participants must sign the sign-in sheet on the day of the training to receive credit.

VIRTUAL Training- Participants must be logged/signed in on devices/names/emails and participate/engage in the training. If a spouse/partner is attending, each person must be on a separate device. It is strongly recommended cameras remain on for the entire session. This is for attendance/credit purposes.

\*Training begins promptly at the start time. For VIRTUAL Training, you will need to log in a few minutes before the start. Caps will allow you to log on 30 minutes before the start time. For INPERSON Training, it is best to arrive a few minutes early.

\*You must be active and engaged in the Virtual Training (participate in the chatbox and breakout rooms, have a camera on, and have a working mic/speakers...). Not being engaged could cause issues receiving credit.

\*Credit cannot be issued if you miss more than 15 minutes of the session longer than 2 hours (of either INPERSON or VIRTUAL). Credit cannot be issued if you miss more than 5 minutes of a session less than 2 hours (of either INPERSON or VIRTUAL).

\*You cannot drive a vehicle or participate in other activities during Virtual Training. This is considered a safety issue and a distraction.

\*Children cannot be present during the training (of either INPERSON or VIRTUAL) due to the sensitive information/materials being shared during training and the cause of distraction to the parents, trainer, and other participants.
